

Cookies Policy for EcoSource Ltd (www.ecosource.ltd)

Use of Cookies by EcoSource Ltd

Cookies are small text files placed on your computer or device by websites you visit. They are commonly used to make websites function efficiently, enhance user experience, and provide information to the owners of the site. Cookies can store items such as identifiers and user preferences, and a website may set a cookie to the browser if the browser's preferences allow it. At EcoSource Ltd, we use cookies for several reasons:

- To improve the user experience of our website by providing customized content.
- To keep track of your preferences while using our services and provide enhanced services.
- To remember location and language settings for individual users.
- To provide general internal and customer analytics.
- To support security measures.

Operational Cookies

Operational cookies are essential for the proper functioning of the EcoSource Ltd website, allowing you to navigate freely and use secure areas of our site. These cookies help our web pages load faster and improve service performance. Some of the operational cookies we use include:

- **cookie_banner_closed**: This cookie displays a cookie and privacy message at the top of our website. Once closed, the message will not reappear unless you clear your cookie history.
- **SecureSessionID**: This cookie enhances the security of your session on our site to prevent any 'hijacks.'
- **pst_***: This cookie keeps you persistently logged in if you log into our website and close your browser without logging out.
- **pref**: This cookie sets your language and geography preference, making your next visit more convenient.
- **sess**: This session cookie makes our site work and is temporary. It is no longer used once you close your browser.
- **Country_code**: This cookie stores the country from which the website is accessed for logistic information and transport pricing.

Third-Party Cookies

For analytics, we use cookies from third-party service providers. Below are the third-party cookies we use, along with a description and a link to their privacy policies:

- **Google Analytics**: Our website uses Google Analytics to analyze how users interact with our site. The data collected, including your IP address, is transmitted to and stored by Google. This information helps us evaluate website usage and improve our services. Google's privacy policy can be found [here](#).

Managing Cookies

You can manage cookies through your browser settings, including rejecting or deleting cookies. However, disabling cookies may affect the functionality and features of our website.

Changes to Our Cookies Policy

We may update this policy from time to time to reflect changes in our website or legal requirements. We will notify you of significant changes and update the "Last updated" date accordingly.
