

SAMPLE POLICY

We totally get it – samples are a game-changer in this industry! That’s why we’ve designed a flexible sample policy to help you explore our products.

Annual Sample Credit

As a thank-you for partnering with us, we offer an annual sample credit based on your yearly spend. You’ll receive a 5% credit to use on samples throughout the year. For example, if you spend \$50,000 with us, you’ll get \$2,500 worth of sample credit to use. Once your credit is used up, samples will be charged at our standard rates.
